

ESTÚDIO PETERSEN DESIGN DE INTERIORES

"Compreender o seu ambiente
é compreender a si mesmo"

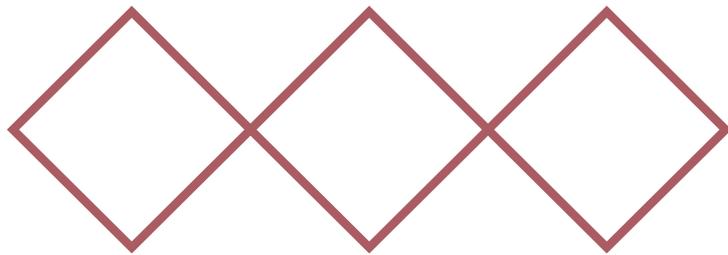

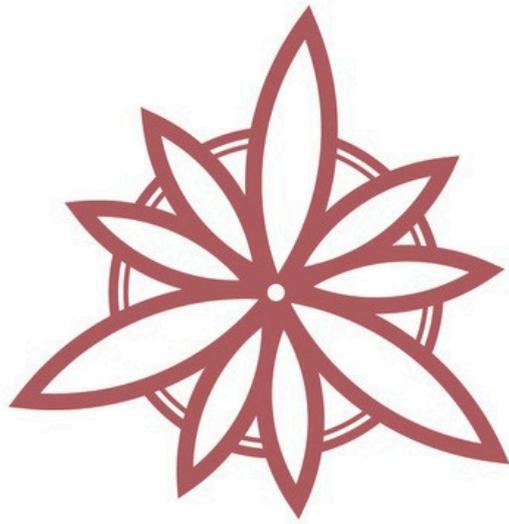

Apresentação
ATMO
STUDIOS finais 05.

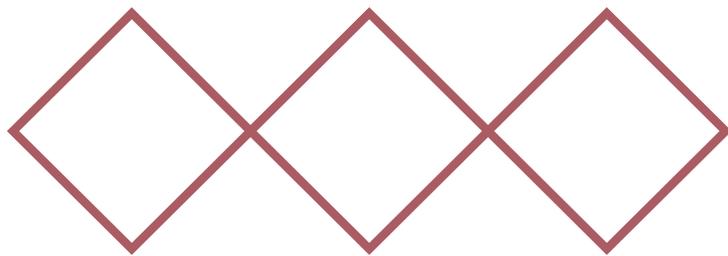

O Projeto de interiores dos Studios foi pensado em Investidores.

Visando espaços funcionais para locações, assim ambientes bonitos com cores agradáveis e materiais de ótima qualidade, na marcenaria MDF dos fornecedores DURATEX e ARAUCO, nas cores velluto Gianduia natural e Louro freijo trend, nas espessuras de 18mm e 36 mm, ferragens como trilhos em alumínio e corrediças telescópicas. A ideia foi usar cores e materiais atemporais.
